November 13, 2026

Dear Ubly Bearcat Family,

I want to take a moment to keep you informed about an incident that occurred around 9:41am today at school. We experienced a student health emergency which required us to call an ambulance to the school premises to provide immediate medical assistance.

To ensure the safety and well-being of all our students, we had them remain in their respective classrooms until the emergency medical team arrived, attended to the student, and departed from the school ground's. Following this, students were able to resume their regular activities and continue with their day.

We deeply appreciate your understanding, support, and trust during this time. Our primary concern is always the health and safety of our students, and we are grateful for the cooperation of everyone involved.

Should you have any questions or require further information, please do not hesitate to contact the school administration.

Thank you once again.

Sincerely,
Troy Reehl
Superintendent
