HOMEWORK TIPS FOR PARENTS

Below you will find some suggestions on how to best help your child with his/her homework:

- ***Show enthusiasm** about school and homework.
- ***Set realistic goals** for your child, and then focus on one goal at a time.
- ***Communicate** with your child about school.
- ***Help your child get organized**:
  - *Break down assignments into smaller, more manageable parts.
  - *Set out items, like homework, books, clothes, etc., the night before to avoid last-minute rushing in the morning.
- ***Help them with their homework;** do not do it for them.
- ***Provide a quiet study corner** in your home.
- ***Expect and praise** genuine progress and effort.

EMERGENCY NUMBERS

Please be sure to inform your child's teacher(s) and the elementary school office if you get a new phone number or if you change cell phones. Also, please provide a working email. Many messages are sent via email, and teachers use the SeeSaw app and TEAMS for contacting parents. Your cooperation in this will help your child and the teacher as well as the office be updated on information and homework. Thank You!
